Civil Action File No: 1:24-cv-02748-LMM

Gary T. Moss,  
Defendant.

MOTION TO EXTEND TIME FOR ISSUANCE OF SUMMONS

COMES NOW, Plaintiff Christopher Jamaal Rosser in the above-styled case, and respectfully moves this Honorable Court to extend the time for issuance of the summons. In support of this motion, Plaintiff states as follows:

1. On July 10, 2024, Plaintiff filed a civil action against Defendant Gary T. Moss in this Court.
  
2. On July 19, 2024, Plaintiff sent the summons via certified mail to the Clerk's office at 75 Ted Turner Dr. SW, Atlanta, GA 30303. A copy of the certified mail receipt and proof of delivery is attached as Exhibit A.

3. The certified mail was delivered to an individual at the Clerk's office on July 22, 2024, at 3:16 pm, as confirmed by the USPS tracking update (Tracking No. 9589071052701958043757). A screenshot of the tracking confirmation is attached as Exhibit B.

The screenshot shows the USPS Tracking mobile application interface. At the top, there's a header bar with the time (12:19), battery level (49%), and signal strength. Below the header is a navigation bar with icons for back, forward, search, and more. The main content area has a title "USPS Tracking®" and a "FAQs" link. A tracking number "9589071052701958043757" is displayed prominently with a "Remove" button next to it. Below the tracking number are two buttons: "Copy" and "Add to Informed Delivery". A large green box contains the heading "Latest Update" and a message about delivery to an individual at an address in Atlanta on July 22, 2024. Below this is a section titled "Get More Out of USPS Tracking:" with a "USPS Tracking Plus®" button. Another green box contains the status "Delivered" with a checkmark, followed by "Delivered, Left with Individual" and the delivery details: ATLANTA, GA 30303, July 22, 2024, 3:16 pm. There's also a "See All Tracking History" link. At the bottom, a section titled "Text & Email Updates" is shown with a dropdown arrow.

4. Despite timely sending the summons, the Clerk's office has stated they never received the documents, and the summons was not docketed as required.

5. Pursuant to Federal Rule of Civil Procedure 4(m), Plaintiff is entitled to an extension of time if good cause exists for failure to serve the summons within the required timeframe. The failure to docket the summons is not due to any delay or fault on the part of Plaintiff but rather an administrative error.

6. Plaintiff requests an extension of 30 days to allow for the re-issuance of the summons and proper docketing of the case.

WHEREFORE, Plaintiff respectfully requests this Honorable Court grant an extension of time for issuance of the summons and such other relief as the Court deems just and proper.

Respectfully submitted,

Christopher Jamaal Rosser
